Re: Adoption of the Public Rights-of-Way Accessibility Guidelines (PROWAG)

In the City's efforts to comply with the Americans with Disabilities Act for projects and activities occurring within the public rights-of-way, *effective December 16, 2014*, all concerned personnel will utilize the most current version of the Public Rights-of-Way Accessibility Guidelines (PROWAG) as a guide and primary reference. These guidelines will be used in lieu of the ADA Accessibility Guidelines (ADAAG).

The PROWAG guidelines will soon be adopted by the Department of Justice as the enforceable standard, at which point they will be mandatory.

The PROWAG is currently in draft form. This directive adopts the PROWAG, as existing. Once the PROWAG has been approved, the approved guidelines will automatically go into effect as the adopted final version.

Please see the link below for the Public Rights-of-Way Accessibility Guidelines.
